SENIOR CLASS WILL

We, the Senior Class of WARRENTON HIGH SCHOOL do make, publish, and declare this to be our last will and testament.

And in this manner we do dispose of our possessions:

WE, as a CLASS bequeath:

I. To the FACULTY, we leave our sincere gratitude and appreciation for having put up with us for the four years that we have been here.

II. To the JUNIORS, we leave your ability of decorating so that you may teach future seniors how, and also we wish to express our appreciation for the help that you have been to us.

III. To the SOPHOMORES, we leave our "quiet" dignity, so when you become seniors you will follow our examples.

IV. To the FRESHMEN, we leave our ability to get along with the teachers so when you are seniors you can get away with more.

WE, AS INDIVIDUALS bequeath:

I, RUBY BRASIER, leave my ability to go steady to Vivian Thompson, who is just the opposite.

I, PATRICIA BUCHANAN MILCOXEN, leave my ambition to finish high school (and get good grades) to anyone else. I may get married before graduating.

I, MARY CURNON, leave my sense of humor to my sister Myrna.

I, MILBUR DAVIS, leave my basketball ability to anyone who needs it, so that good old W. H. S. may win a few games.

I, THELMA ENGLISH, leave my quietness in Home Ec. class to Betty Goodrich, so that she may get 1's from Miss Waite also.

I, DICK HALLBECK, leave all the rest of my fire-crackers to John McDermott, so that he may continue to "pop" them in the halls next year.

I, MARGARET HARROD, leave my secretarial ability to anyone who will put it to use.

I, JACOB JACOBSEN, leave my debates in Social Econ. class to Keith Dyer, so that he will be able to pass it in his Senior year.

I, MARY LOU MEYER, leave my love life to Virginia
Brons.

I, EARL NICHOLS, my means of keeping my car in A-1
condition, to anyone who wants to put that much work
on theirs.

I, RUTH SALMI, leave my good nature to Delores Wallace
so that maybe she will someday use it.

I, VERA SHULTZ, my good grades to anyone who makes
an effort.

I, DOLORES SIMONSEN, my height to Bobby Wilson.

I, AILEEN SUHONE, my ability to read "True Confessions
in Socian Econ. class and still get good grades.

I, LARRY TIMELY, my fond affection for Arvella, to
anyone else who goes steady with a girl.

Besides these bequests, we leave our best
wishes to any and all who may desire them.

Certified on the Fifth Day of April in the
year of Our Lord, Nineteen Hundred and Forty-eight.

*** SENIOR CLASS HISTORY ***

One morning early in September, 1944, 33 students enrolled in the freshman class of Warrenton High School.

With Mrs. Mary Ann Hughes as supervisor, we got down to business. Class officers elected were: President--Alice Ragland, Vice-President--Wilbur Davis and Secretary--Beatrice Jorgensen.

Although we had little experience, we sponsored one dance during our freshman year.

September, 1945, found us enrolled in the sophomore class at Warrenton High School with only 27 students.

Under the supervision of Mr. Carl Nydeggar we elected the following class officers: President--Norman Jacobsen, Vice-President--Pat Haskell, Secretary Thelma English, Student Counsel--Earl Nichols.

Several parties and dances were sponsored with much success,

When we enrolled at Warrenton High School as juniors, in 1946, our number had decreased to 23.

With Mrs. Katherine Hoffman as supervisor, we elected the following officers: President--Earl Nichols, Vice-President--Wilbur Davis, Secretary--Vera Shultz, and Treasurer--Robert Falconer.

The class really settled down and was very active this year. We sponsored the Junior-Senior prom and banquet as well as a number of dances and also helped organize a teen-age club in Warrenton. We had success in all our undertakings. A happy day was February 2 when we received our class rings.

September, 1947, found 10 dignified seniors enrolled in Warrenton High School. Seven of this group started together in their freshman year. Under the supervision of Mrs. Theodora Gibson, the following officers were elected: President--Wilbur Davis, Secretary--Thelma English, Treasurer--Larry Whitney.

We sponsored the Christmas Ball which was held December 19. The music was furnished by the navy orchestra. A carnival was held which was sponsored by the entire student body. The queen was Miss Ruby Branson. She was sponsored by the senior class. We

receive our class pins in March.

Commencement will be May 28, 1948 and will mark the day when we must bid farewell to Warrenton high.

BACCALAUREATE

Rev. E. Gardner of Warrenton's Methodist church will give the invocation; Rev. R. Northrup of the Christian Church will give the Baccalaureate sermon-- "Weigh in the Balance and Found Wanting;" Rev. D. Coble of the Assembly of God will offer the Benediction. Music will be presented by the Methodist choir. The Junior Class will decorate for Baccalaureate and also for graduation, May 28, 1948. The Junior girls will usher.

Afterwards a Desert Luncheon was served by Mrs. Gibson and Miss Waite at the Gibson's home.

Is MARY LOUISE Curnow, the one in a daze

All for fun--and happy too,
MARGARET Harrod, one of the few

NORMAN Jacobsen, an intelligent lad
"Work" comes to him, in second hand

A Senior lass who seems too shy
Is AILLEN Suhone, the gal with a guy

WILBUR Davis who likes to chat
"Wink" is his nickname, you should know that

Who is she, that blushes like fire
No one else but MARY LOU Meyer

With term papers, he isn't so glad

VERA Shultz a jolly miss
Dreams someday of a wedded bliss

With a smile, and a care, EARL Nichols I know

Always seems to be your pal

I, RUTH Salmi, the Senior Sedate
Writing this poetry, was my fate

CLASS PROPHECY

LOOKING INTO MY CRYSTAL BALL

If you happen to be looking for a fortune teller my friends, come right in and I can tell you everything that will happen and has happened. You will probably be more interested in what will happen though , because you no doubt already know what happened to all your friends while you were in high school--for instance, that strike you all went on in an effort to keep your principal a few years back, but I will tell you what will happen to each one of you if you will be so kind as to let me focus my crystal ball on you.

Let me see, Oh! Oh! there is Thelma English going into a theater named, Glass House, which is her own. Everybody greets her on the way in but she knows that they only want a raise.

There goes Norman Jacobson into his clothing store that he has owned for five years now.

Well if it isn't Larry Whitney and Arvella going in there honeymoon to New York. He is a prominent business man now in his own insurance office.

My crystal ball dims a little now as Vera Shultz in her bright red suit appears with Lee on to her arm as if he was afraid he would lose her if he let go for an instant. They are married now you know and have been for the last ten years, right after she graduated to be exact.

Here comes Dick Hallbeck carrying his dynamite to blow up a bridge. He is an explosive expert after practising on them for a year or so in school.

Who is that, oh yes, it is Dolores Simonsen and she is trying to make that big bozo turn over in his bed. She is a nurse now and some of these patients give her quite a time, but she is still as jolly as ever.

Here comes a little lady all laden down with groceries and it seems to be Aileen (Suhone) Pettey and she has been shopping for her family of three now.

Wilbur Davis stop hiding behind that big motor 'cause I know that you are head of that Ford Company since you married Ford's daughter.

Mary Lou Meyer seems to be doing quite well in that beauty shop that her folks bought for her after she finished her training. She is married to Emil A.

Margaret Harrod is back in Missouri trying to teach her students all she knows but seems to be having quite a time of it. They throw spit wads and everything, but she can't stop them because she used to do it herself.

Earl Nichols is still working in a logging camp while his wife, Ruby (Brasier) Nichols is keeping house. Maybe someday they'll have a lot of nichols.

My crystal ball seems to eb fading out but I got a glimpse of Ruth Salmi as she was going into a big cathedral that she helped raise funds to build and this is the first meeting in it since it was built and she is pretty proud and I don't blame her a bit.

I suppose you are wondering if all I have to do is snoop at what you're doing all the time through my crystal ball, but I have another pastime too. I am not employed as a stenographer for Pringle and Pringle, Inc. I shall now draw this little session with all you kind helpful friends to a close before I start to cry and wish I was young again. I sign my name Mary Lous Curnow and hope it will remain so until the day I die.

SKIP DAY

On the bright and early morning of March 12, 1948, thirteen seniors and Mrs. Gibson, decided to take the traditional Skip Day. Two cars were to furnish the transportation. We ended our journey at Short Beach, deciding Esola Park unsuitable. We got a huge bonfire going in spite of the rain and roasted hot dogs which surely tasted good with the potato salad, potato chips and delicious pies made by Mrs. Bern Shultz.

A most unforgettable event of the day was when the two cases of pop we put in the creek to get icy cold, started to head for the ocean. Larry and Wilbur came to life, and rolling up their pants waded in and saved the pop - the fire then saved them, for they were practically frozen!

That slight drizzle changed to a regular downpour so we gathered up our belongings and started for home. Some of us visited the Antique Shop in Seaside and had their pictures taken in that old stage coach, thus ending an almost perfect day, and definitely an unforgettable one for thirteen Seniors - - and Mrs. Gibson.

* * G R A D U A T I O N * *

Graduation exercises for the Class of 1948 will be held in the school auditorium, on the evening of May 23.

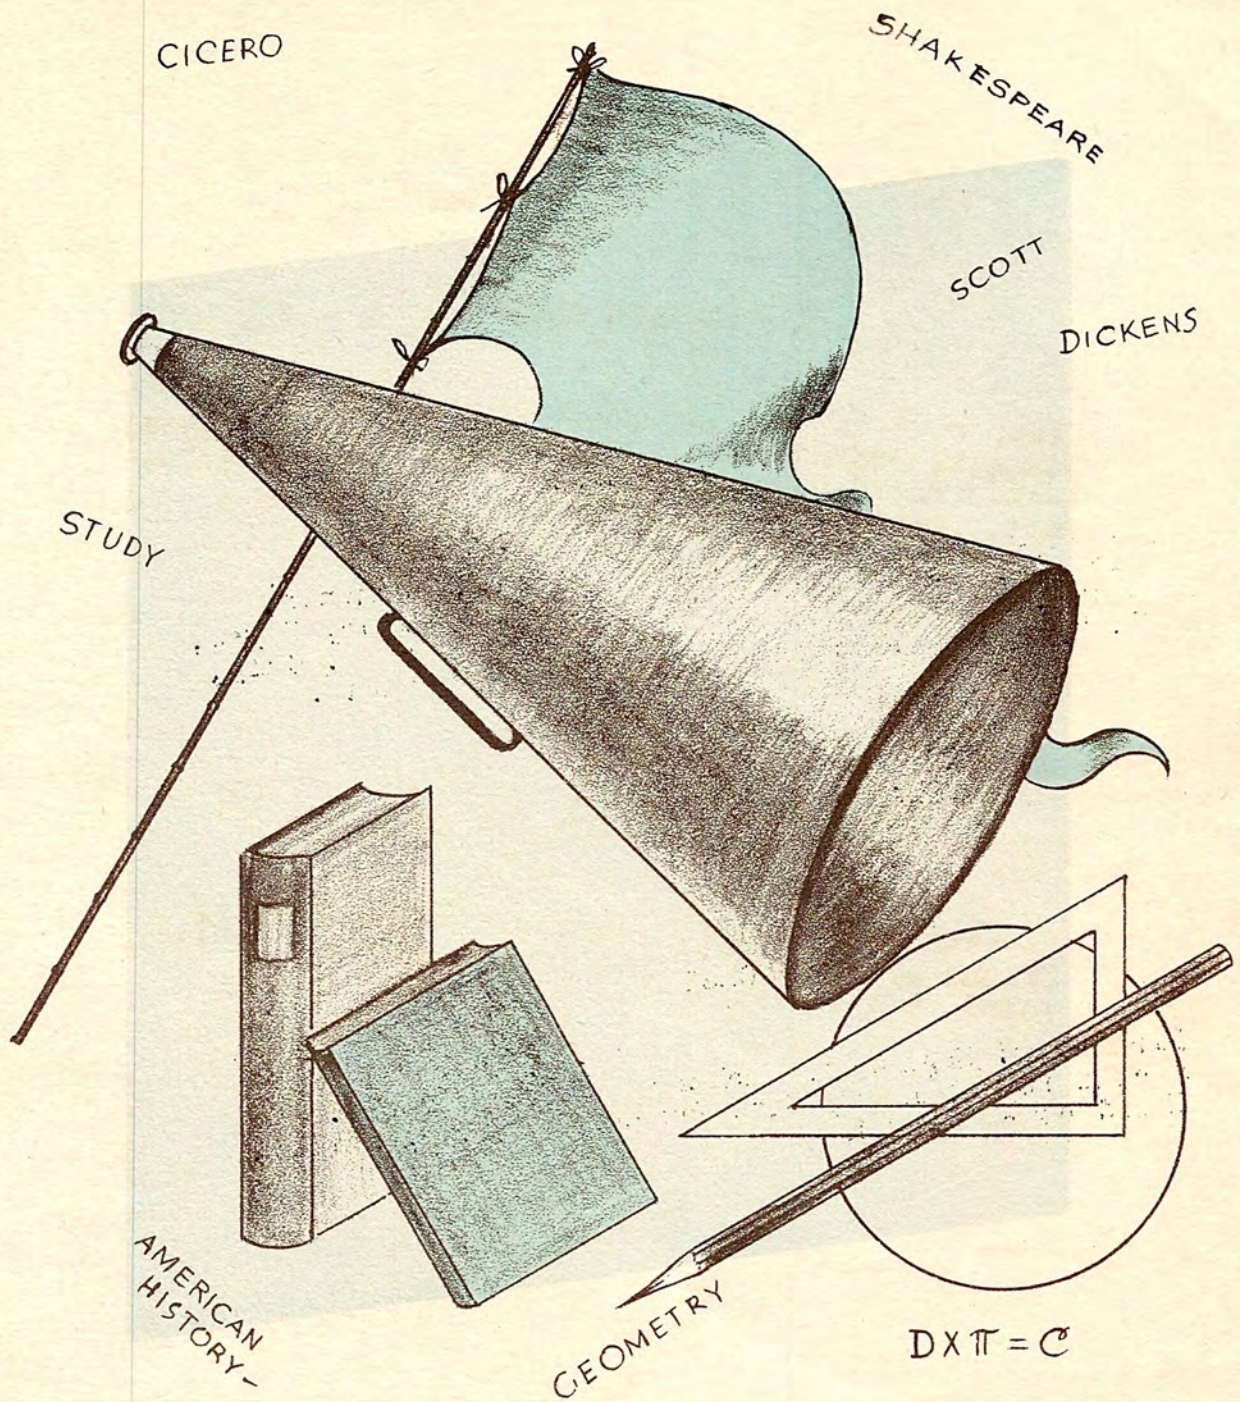

Mrs. Golda E. Wadsworth, Dean of Women, at the University of Oregon, will be the main speaker.

Ruby Brasler and Mary Gornow tied for the honor spot of Salutatorian so each will give an address.

Vera Shultz won top honors all through her school career and will give the Valedictorian address.

The Seniors will wear royal blue caps and gowns.

Mr. Lane, Superintendent of Schools, will hand out the diplomas and another class will become "stars", as our class motto states: "TO THE STARS THROUGH DIFFICULTIES."

In the year of our Lord, nineteen hundred forty-five, twenty-eight frightened but triumphant Freshmen entered Warrenton High. We suffered through our Initiation of tearing our clothes backwards, and wrong side out. Incidentally, we enjoyed it very much.

Finally, the end of one glorious year was at hand for the Freshmen. By that time we thought we were quite smart people!

September 18, 1946, brought back another year for us, only as Sophmores. Then it was OUR turn at initiating the Freshmen. That year was not quite so hard for us as we had settled down quite a bit. (?) Nearing the end of the year, it was time for the Junior-Senior Prom, for which the Sophmores are always elected to decorate. As it turned out, it was a big success.

Now, this is one of the big years! Our first at being upper-classmen! It really seems pretty good. We also got to wear our own class rings,

We elected the following to help carry us through the year:

President	- - - - -	-Dale Cochran
Vice-President	- - - - -	Bill Hayes
Secretary	- - - - -	-Shirley Magnuson

Now, as the time goes by, there are twenty-six dignitaries known as Juniors in Warrenton High School.

Sponsoring the Junior-Senior Banquet, which was a notable success was one of our accomplishments. Also, the gayly play, the "Chintz Cottage" a bloomy success and a between scenes skit the Hat Parade, was responsible in making several hundred people smile out loud.

J U N I O R R O L L

Curly hair and dimples too
We'll leave Charles Culp to you

Angel Lahti is always tardy
I wonder who's the guilty party

New Years Eve and Christmas too
Beverly Scrimsher was happier than you

Marion Wiley's teasing eyes
Flirts constantly with the guys

Frances Bernice Ivarie is a suitable name
But the F.F.I. finds her not so tame

Helen Anderson is a brainy lass
Is always near the head of the class

Marion Brons a quite little gal
In a tough spot, she proves a pal

With a cute little smile and a winking eye
Bill Smith will soon get her guy

Bob Beckman is a wolf in disguise
Except for his great big eyes

Billy Hayes is always rough
And tries to make you think he's tough

Vernon Hart has personality plus
And he brings football victory for us

Delores Wallace is bashful it's true
But that's the story that's been told to you

You should see the Model A take flight
When Sam Moor is feeling right

Nancy Nichols is kind and sweet
As for her shape, she can't be beat

Howard Jensen with his feet on his desk
Thinks it's proper and likes it best

Sydney Stuller is quite a brain
But we know his shyness is just a game

Astoria Bowling Alley is quite a place
To see Frank Wildgrube's bashful face

Betty Goodrich is the flirty kind
But always has a wonderful time

Wavy black hair and big brown eyes
Is John Byrd with Junior pride

A baseball pitcher with a perfect score
Is John McDermott a Junior Boy

Gloria Taylor of Warrenton High
Is a nice girl and very shy

Roy Duncan with pretty blue eyes
Beats off the girls and thinks he's wise

Lucille Buchanan pretty and tough
With the boys she's really rough

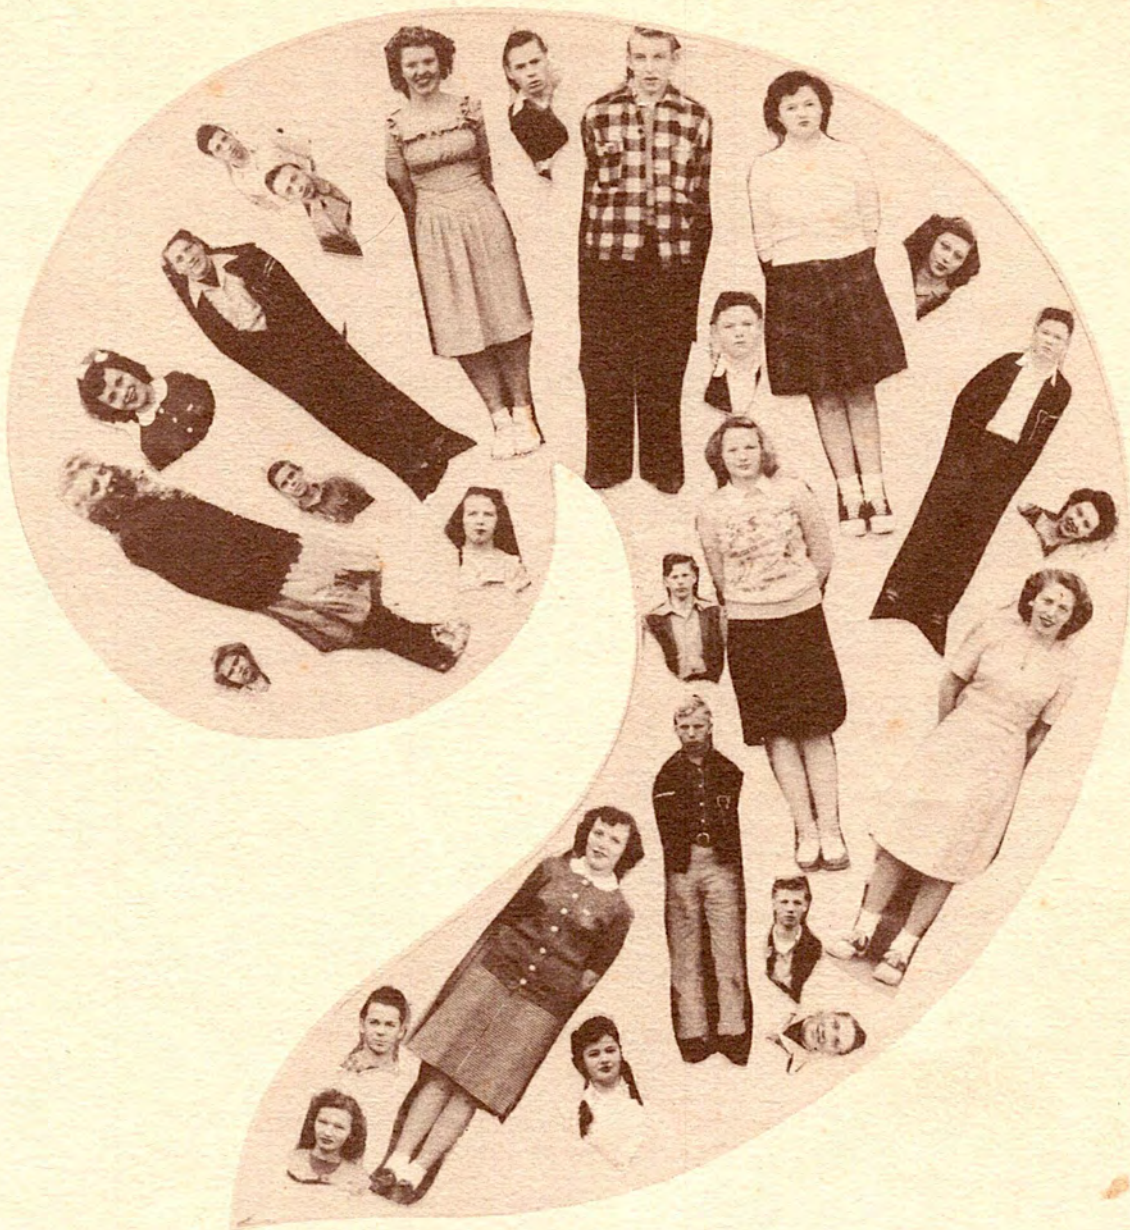

Shirley Magnussen a gay little lass
Is very true but -will it last

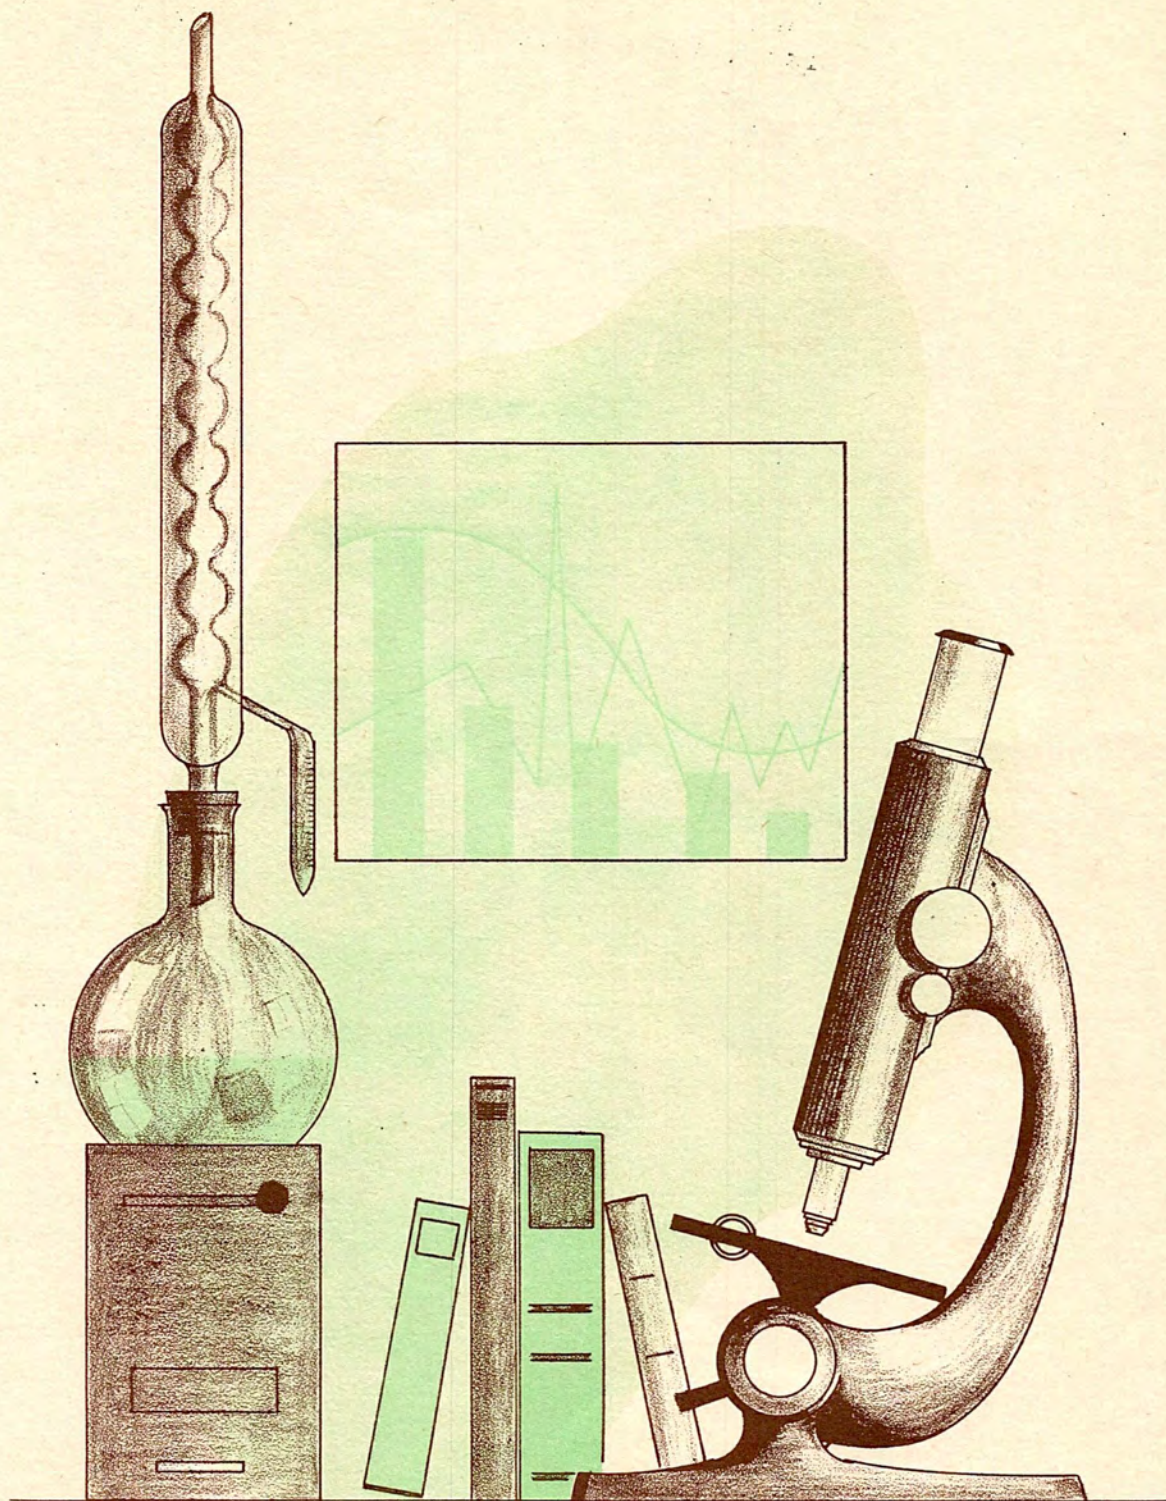

Evonne Jylha is a sure shot with a rifle
But that side line is just a trifle

Velma Korr stately and with poise
Doesn't really fool the boys

* * * SOPHMORE CLASS HISTORY * * *

September 18, 1946, thirty-six scared kids began their careers as high school students.

Having successfully survived the initiation, we elected class officers:

President - - - - - Donald Whetsell

Vice-President - - - Doris Dunn

Sec-Treas - - - - - Nellie Nichols

We were now ready to settle down to our first year of high school.

With the opening of school in September, thirty-three students returned as Sophmores. To start the year off the 1947 officers were elected as follows:

President - - - - - Donald Whetsell

Vice-President- - - Buddy Ragland

Sec-Treas - - - - - Nellie Nichols

As is the tradition of every Sophmore class, we carried out the Frosh initiation.

We had one dance that was a huge success and will no doubt do a "bang-up" job on the Senior Banquet and Ball decorations to be held May 7, 1948.

*** SENECA BOY CALL ***

Who's the shortest Sophomore boy?

Hmm---Oh! Bobby Wilson! and he's not very coy.

There's a boy in our room whose girl friend's a Frosh.

His name's Billy Coffey and always has been, by
gosh!

Vivian Thompson's complexion is between dark and light,
And she always dresses and looks just right.

Loveen Byrd's a star on the volley ball team,
And her looks and clothes are always keen.

Arvella Kernes has a knack for art,
And from Larry Whitney she'll never part.

Betty Ivorie has short blonde hair,
She's smart, and never gives her studies a care.

Gwen Maize is a cute blonde,
And of Alvin Clapp she's very fond.

Hazel Harrod's the girl with the freckles on her nose,
And she's full of pep from her head to her toes.

With hair like silk, she's a very pretty girl,
Her name's Nellie Nichols and she has teeth like
pearls.

Pat Tolson is a girl that is very bright,
She gets most all one's on her card and that's a
pretty sight.

The girl with the naturally curly hair,
Is Harriette Chase and her complexion is fair.

Jerry Chapman usually wears glasses,
And she's one of the room's prettiest lasses.

Donald Whetsell's girl friend is in the eighth grade.
He likes to write poetry and gets good grades.

Frank Braley's looks are high in class,
I'm sure he'll win a pretty lass.

Bill Dunster always has a question to ask,
And work to him is no little task.

Jimmy Curnow owns an old Ford,
But studies at school keep him bored.

Buddy Ragland's a boy who chases girls,
The hair on his forehead falls into curls.

Gloria Nichols has flashing brown eyes,
She'll make some lucky boy a prize.

Doris is not very tall,
But she'd make most any guy fall.

A nice lookin' girl is Rosalie Yeager,
I'm sure she'll never end up a beggar.

Loren Marsh is tall and has a good voice,
Someday he'll make a nice girl's choice.

Jack Rogers is new and has dark curly hair,
And when he studies, he seems very fair.

Donald Marsh wears glasses and is very sly
But maybe he has a girl friend on the sly

Gary Walker is not much in height
And seldom does he ever fight

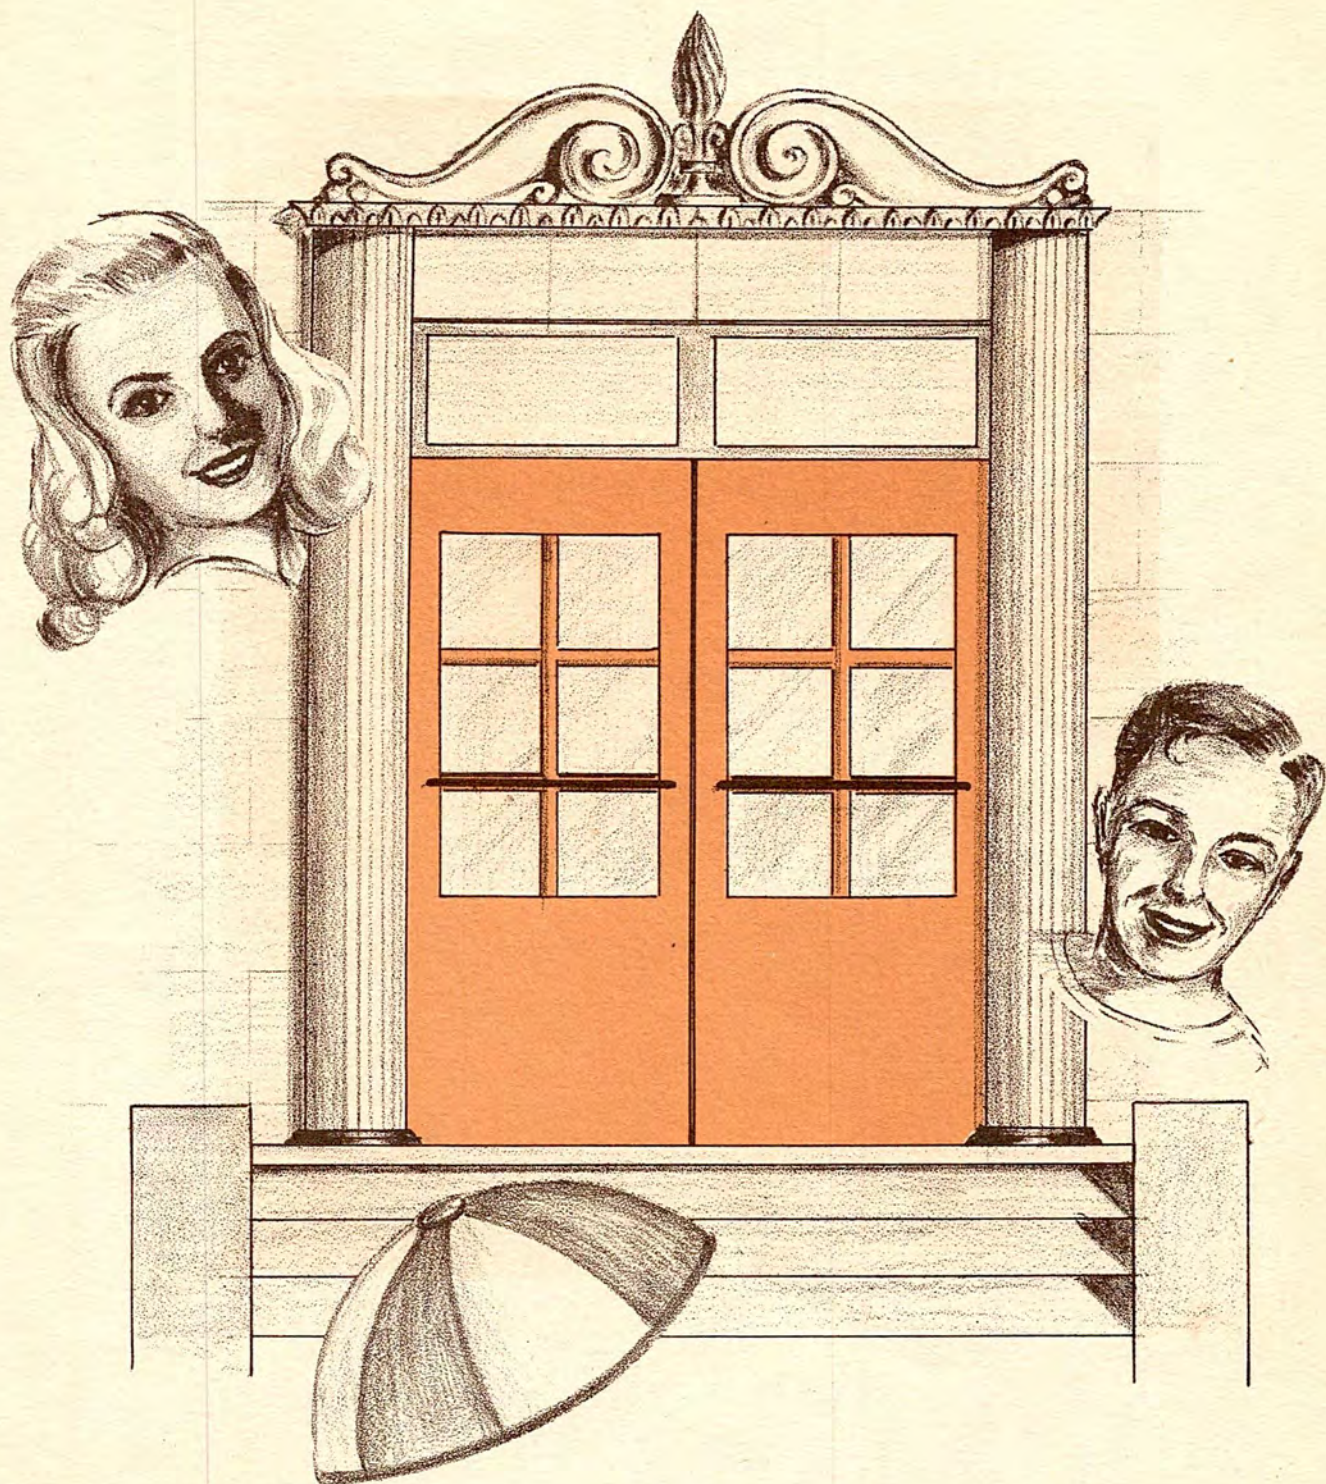

Joyce Wafford is strong and could be tough
But she hardly ever is very rough

Virginia Brone has a laugh all her own
It's sort of a giggle and high in tone

Long, dark hair has Margaret Day
Who always has something nice to say

I'm tired of thinking, so I'll just sign my name
Summers and hope this will bring me new
fame

FRESHMEN

* * * * * FRESHMAN HISTORY * * * * *

September eighth, nineteen hundred forty-seven, thirty-three students entered Warrenton High School as Freshmen.

The Sophmores greeted us with the traditional Initiation. The girls had to wear men's shorts, T-shirts, and knee boots, on the wrong feet. We were not allowed to wear makeup or comb our hair. The boys had to wear girl's bathing suits, bathing caps and knee boots, on the wrong feet. The Sophmore girls put makeup on the boys after they came to school. This went on for one week! Friday night Initiation was held and was ended by a party. We were then full-fledged high school students.

After we recovered from Initiation, we elected class officers. They were:

President - - - - - Gladys Nygaard
Vice-President - - - - - Bud Plummer
Secretary - - - - - Pearl Klein
Treasurer - - - - - Marjorie May

FRESHMAN ROLL CALL

He's almost as tall as a balsam.

A blisterous girl is Zelma Braley,
Who does all her tasks gaily.

At Francis Bjournstrom the boys do stare,
Because she has such pretty hair.

Bob Christensen goes to school
He's going to be nobody's fool.

Harley Crowder, is full of class,
Studies hard so he will pass.

Dick Christensen, I have a hunch,
You will find at "Newtons Lunch."

Shirley Combs is our Roxy Roquet,
So now you see why shes everybody's pet.

A boy in our class named Don Callihan,
Always has wanted to become a cowhand.

Merna Curnow is a chubby gal,
But even so--she's everybody's pal.

Albert De Haven is not too shy,
And some girls think He's quite a guy.

A noisy person is Dewey Dunn,
But then he always has such fun.

In our class is Keith Dyer,
Who, someday, will become a flyer.

Barbara Fisher, a quiet girl,
Can really give the boys a whirl.

Eugene Gray, is quite gay,
And in class does always play.

He talks a lot but is not bad.

A jolly girl is Rosanna Smith,
Her laughter you could never miss.

Pat Walker may be short,
But you can't say she isn't a sport.

Delores Wheatley, a freshman gal,
At correcting math papers is really a "wow!"

A nice looking boy, by name, Fred H oover,
Over Nancy is really a crooner.

Pearl Klien loves to swim,
She is always full of vim.

And now to close this little measure,
Is up to me-----Hazel Brasier.

ACTIVITIES

* * * JUNIOR*SENIOR BANQUET and PROM * * *

At the Marquee Restaurant, at Gearhart, Oregon, on May 7, the annual Junior-Senior Banquet was held and was well attended.

The Junior class sponsored the affair in honor of the Seniors and the affair was attended by Junior and Senior classmen, alumni and the faculty.

After a welcome by Dale Cochran, Junior class president, and a response made by Wilbur Davis, the Senior class president, the delicious chicken dinner with all the trimmings, was served. The dedication of this year's annual was then made to Mr. Shultz, Chairman of the Schoolboard. The Senior class Last Will and Testament, Prophesy, Histor, and Roll Call were read and provided the entertainment until the dinner was over and everyone returned to the school gymnasium for an evening of dancing. This was the school Spring Prom.

The gym was the scene of a May Day under the supervision of the Sophomore class and their advisor, Mr. White. The theme was "The Stars Will Remember."

December 19, 1947 will long be remembered by those who attended the Senior Christmas Ball, for it definitely was one of the liveliest functions of the year. The "Winter Wonderland" theme was carried out to the most minute detail, with the very pleasing result of a beautifully decorated gym. The south end of the gym was covered with green bows that were lightly sprinkled with artificial snow. The orchestra was in front and fenced in with a low white picket fence that was entwined with ivy and landscaped in front with small shrubs and moss.

And, speaking of the orchestra--the Navy certainly were at their very best that night. All the most popular pieces were played with plenty of rythm and even a few specialities were added. Yes, we danced to the best music that night.

And did you ever see better looking people? The fellows were groomed to the nth degree and the girls fairly speckled in their pretty dresses and attractive hair do's. Yes, even the oldsters got the spirit, and had a wonderful time.

• İsmail, Vah

There'll be reminiscing about this lovely dance for years to come by the 200 people who enjoyed themselves that evening.

Y-TEEN

During the first week of school the Y-Teen officers, who were elected the previous year, called a reunion.

At this meeting we passed two ruled in connection with membership. They were:

1. To allow new members to join only during the first six weeks of the first semester.
2. To drop all members who miss more than three meetings in succession, without a good excuse.

The Y-Teens started the year by sponsoring a hat checkroom in connection with the school carnival. Later we sold candy and went on a horse back ride. We have even better plans for the remainder of this year and the years to come.

The Y-Teens would like to give our thanks to our club advisor Miss Waite along with the club officers: President--Nellie Nichols, Secretary--Beverly Summers, and Treasurer--Dolores Simonsen.

Because of an over crowded schedule many girls have had to be dropped from the club.

As usual, the Girl's Pep Club maintained its high standards during 1947 and 1948 under the supervision of Mrs. Baldwin.

During the first term, initiation for the new members was held before one of their successful pep assemblies, making a total club membership of twelve.

Beverly Scrimsher was elected President and the officers were Betty Goodrich, Vice-President, Loveen Byrd, Secretary.

At the meeting of January 7, it was decided to have a Mascot - - - - Bobbie Longfellow age $2\frac{1}{2}$ years was elected.

SENIOR SERVICE CLUB

The Senior Service Club began the activities of this year with Ruby Brasier as president, and Aileen Suhone as secretary.

Several meetings were held throughout the year at which activities for the members were discussed.

The club sold Christmas Cards and Easter Cards.

Also we received Senior Service Clubs Pins in the earlier part of the year. They are purple and white (our school colors) with the lettering WHS--48.

FATHER*DAUGHTER BANQUET

A perfect evening was picked to have the banquet--no rain!

Almost everyone was seated by 6:30 and a lovely meal was served. It consisted of creamed chicken, potatoes, Boston cream pie and all the trimmings.

The tables were decorated with daffodils and sprigs of cedar. The program consisted of a welcome by Ruby Brasier and a response by Mr. Shultz. Also Vera Shultz gave a reading. A gift box of candy, was presented to the boys who did a wonderful job of serving.

FOOTBALL

We can not boast of having the best team in the league, yet, in recalling the events of the past season, we can say that we had a successful team and a very good team. The first day of practice about 25 men turned out and of that 25, Coach Carl White discovered that he had only 6 men who were experienced. Coach White and the boys worked the demons on that little plot of land a long distance from the school and put everything they had into the rough and tumble games.

The first game of the season was with the powerful Westport Pirates who over-ran the plucky Warrenton Warriors by a margin of 56 to 7, in a hard fought game. However, it is noticed by the following games played that the boys and their respective abilities were soon found out by the Coach and the scores were of a "nip and tuck" nature and definitely very exciting. The opposing teams certainly knew they had been in a football game when the games were over, for our boys could "kick it out as well as take it."

It is hoped that next year the football boys will be able to practice on their football field and play a part of their schedule on the home field so they will not be handicapped by having to travel to each game.

For five days the baseball players of Warrenton high waited for good weather. Finally the sun came out and they were able to practice enough for Coach White to look over the players. Although many games were scheduled, most of them were postponed because of the weather and because the Warriors weren't ready. Finally, on April 22 the Warriors travelled to Westport to play the Pirates but lost. The score was 6 to 4.

The following week the Warriors practiced hard but at the end of the week were defeated by the Pirates. On May 4, the Warriors were determined to beat visiting Loggers from Knappa and they did, mainly due to the one hit pitching of Culp. Three days later at Knappa Svensen, the Warriors won again, four to two.

Astoria's Fishermen came over the 15th and were beaten 9 to 1; another Culp pitching display. With three out of five games, wins, and the prospects good for next year since Coach White does not think he is to lose any men, things are looking pretty bright.

This year Girl's Volleyball team, was comprised of members from every class, and one outstanding characteristic of our players was the splendid cooperation and sportsmanship they displayed in the face of defeat.

Our season closed with three victories and three defeats, for an average of .500. This to our belief is not a too bad season for a team who for the first time, played other schools.

We are not claiming the inexperience of our players as an excuse for not winning more games, but we do say, that with an entire first string with the exception of Pat Buchanan, returning next year, "Just watch us go!"

Our Captain was Beverly Scrimsher and Miss Waite was our wonderful coach.

Scores for the games are as follows:
